

On January 14, 1972 I talked with Millie in Water Rights filing section re: Application 22314, Decision 1332, Dye Creek Cattle Co. & Tuscan Co. There was an order for reconsideration of Decision 1332 dated April 17, 1969. According to W.R. file section this was cancelled 6-20-69. They did not have the file and I did not know if the application was cancelled or the order for reconsideration was cancelled. I was told it was the application that was cancelled.
